MEMORANDUM FOR: Comptroller

SUBJECT : Processing of Personnel for Overseas Movement

REFERENCES : (a) Memo dtd 5 Feb 53 to DD/A fr C/O&M, subject:  
"Proposed Transfer of Personnel from Central  
Processing Branch (PDC) to Passenger Movement  
Branch of Transportation Division (P&SO)"  
(b) Memo dtd 12 Mar 53 to DD/A fr AD/P, subject:  
"Processing of Personnel for Overseas Movement"  
(c) Memo dtd 25 Mar 53 to DD/A fr C/O&M, same subject  
as Reference (a)

1. Examination of the contents of the referenced memoranda reveals such a variety of opinions that I find it necessary to return them for redevelopment by Organization and Methods Service. The contradiction in conclusions expressed in References (a) and (c) is disturbing. Findings reported in a staff study should possess sufficient validity to withstand the need for such short-term revision.

2. It is requested that a new staff study be prepared not later than 10 April 1953. It should reflect a careful investigation and analysis of the problem and a specific recommendation for solution which should take cognizance of sound principles of organization.
